

DONATE TODAY!!

The Newton Parks and Recreation Department will sponsor a Canned Food Drive to benefit the Eastern Catawba Cooperative Christian Ministry Hunger Prevention Programs, starting Monday, October 31, 2016 through Friday, December 16, 2016.

Non-perishable food items accepted include canned fruits, canned soups, canned vegetables, boxes of grits, macaroni, rice, oatmeal, or dried beans. These items will help local residents who may be disabled, handicapped, and those in need in our community. Last year's contribution total was 376 pounds of food. This year, we hope to surpass this total, further helping those in need throughout our community this holiday season. Anyone interested can bring their items to either of the locations listed below.

Newton Recreation Department
