**5:00pm-8:00pm**

**Newton Recreation Center - Indoor  
23 Brady Avenue, Downtown Newton,**

**Exhibition/Demonstration/Instruction/Rules/Play/Fun**

Pickleball is a racquet sport that combines elements of badminton, tennis, and table tennis. Similar to tennis, players use a perforated plastic ball (like a whiffle ball) and wood or composite paddles. It is easy for beginners to learn, but can develop into a fast-paced, competitive game for experienced players. Pickleball is a fun game that also provides great exercise – soft on the joints, but fast enough to keep players engaged. The game has a social aspect as well, with good natured banter back and forth.

**Let's Play  
Pickleball!**
