

Newton Business Advisory Committee

July 18, 2012, 3:00 PM

Location: Catawba County Chamber of Commerce

The Newton Business Advisory Committee is invited to attend a meeting at the Catawba County Chamber of Commerce to participate in a focus group with the Southern Growth Policies Board and the Hickory Small Business Task Force. Our next regular meeting will be August 15, 2012.

To: City of Hickory Small Business Task Force; City of Newton Business Advisory Committee

From: Danny Hearn, IOM, CCE, President, Catawba County Chamber of Commerce

A group of Catawba County leaders is working with the Southern Growth Policies Board to develop a comprehensive competitive approach to economic development for the county. Our Leadership Team would like you to be part of the process by participating in a focus group and sharing your thoughts and ideas.

During the focus group the topics of discussion will be:

What does Catawba County have that makes it economically competitive?

With a rapidly changing and globalizing world, how are things getting better or worse for the county?

What is your vision for Catawba County in 2025?

This process will result in a series of actions, what is the best way to get things done in the county?

Please come to the Catawba County Chamber of Commerce on Wednesday, July 18th from 3:00 – 4:30 pm.
