

## **How can I report a fire hazard?**

To report a possible fire hazard you may contact the Division of Fire Prevention at 828-695-4284, Monday - Friday 8AM-5PM. You may also send an E-mail to the Division of Fire Prevention with the information at [dcoffey@newtonnc.gov](mailto:dcoffey@newtonnc.gov) .

We will need information about the violation (including the address of the violation and responsible party's name, if available) and your contact information. Your information will be needed if an inspector needs to reach you for further assistance or to inform you of the outcome of the inspection.

Your information will remain confidential.
